

Behind the Curtain

Footnotes Dance Studios' Monthly Newsletter: January 2008

Closed: We will be closed Monday, January 21st for Martin Luther King day at Ceres AND Turlock studios. We observe the Ceres School District holiday schedule and have decided to close due to the high rate of absences on this holiday.

Tuition is due on the 20th of EACH MONTH PRIOR. Tuition not paid by the 20th whether in the studio or online will receive a late fee. The late fee has INCREASED to \$15.00 as of December due to the enormous amount of accounts not current.

Fusion Competition season has begun! Fusion will be competing on Sunday, January 13th at UC Davis. This is a JAMZ Extreme competition in which team can win cash prizes. Good luck to all our teams including the new Tiny's team coached by Miss Annette. They will be debuting on Sunday.

We have measured for costumes and submitted orders for our Ceres location. If you are a Ceres studio dancer and have NOT paid for you costume, you will now owe a \$20.00 late fee if you still would like to order a costume. All Turlock studio dancer's costume money is due by the 15th of January.

Students have been spotted standing outside waiting for their ride after class. We are asking the parents to instruct their child to wait in the lobby and not outside for their safety.

Check your email! When I send a mass email I get MANY returned. Please log into your account or fill out a form at the front desk this will ensure that you are getting information from us.

Auto tuition payments were deducted on the 20th of December for January. We did not deduct for costumes. You will need to pay online, come into the studio, or call to get your costume paid for. We don't assume every student participates in recital therefore we did not deduct the full amount in December.
