Great job Fusion Company Dancers and their coaches: Simon, Pookie & Morgan! Good luck to all teams who will be competing this weekend at American's Best in Sacramento!

New season schedule of dance classes for 2011-2012 classes is already in planning! We will begin registration for classes Tuesday, May 1st. Teachers will begin student evaluations in April so that you will have a better idea of your child's level for their class next season.

If you are interested in a particular class and would like to see it on the schedule for the new season, PLEASE send an email or leave a note with our front desk. We want to know what you WANT to see offered at the studio. Footnotes is always looking forward to a new season.

Class Attendance is CRITICAL now that music and choreography has been set for recital. Dancers who miss 3 or more classes may not be able to perform at recital. Private lessons may be an option but this will be per teacher's approval, regardless if a costume has been purchased. When your child misses a class, they fall behind on choreography. When they return the following week and want to be taught the prior week's choreography; it puts the entire class behind. We also ask that you call the studio when your child will be absent.

Mark your calendars for:
