# NEWSLETTER

Footnotes will be **CLOSED** for Memorial Day on Monday, May 31st. Hope you have a fun and safe holiday weekend.

The new season schedule is up and people are enrolling! You can register for the new season online or at the front desk. The schedule is subject to change based on enrollment. If you have a request for a class that isn't on the schedule; or have questions about which class your child should take, please see your instructor or the front desk.

**AUDITIONS** for the new season of Fusion is Saturday, May 8th!! If you would like to know more about Fusion, please ask the front desk. Contracts are also available.

**Recital Tickets** will go on sale Saturday, May 15th from 10:30AM - 1:30PM. Each family is **limited** to a **total** of 10 tickets for this day. NOW, for those families who want more than 10 tickets, you may fill out a ticket request form at the time you purchase your first set of tickets and we will then pull more tickets for you in the order that your form is turned in. This way, you will NOT have to get back in line and wait like last year. We will **SELL OUT** and we will not hold tickets for anyone. If you cannot come on this day, then you need to send a family member/friend with a written note by you to get your tickets. Ticket sales are not open to the public at this time. If there are any remaining tickets, we will sell them at the front desk

beginning Tuesday, June 1st and your friends and family may buy what (if any) tickets are left. Recital volunteer sign ups will be on this day as well.

Account balances **must** be paid to buy tickets. Seats are numbered and if your child will need a seat, then you must buy a ticket for them. Dancers will not need a ticket because they must remain backstage the entire show. There are 2 shows this year! **All dancers must dance in BOTH shows.** It will be at MJC's auditorium. We prefer cash for ticket sales but accept Visa & Mastercard as well. Just be prepared to wait for visas since we have to hand key in the numbers and it takes longer.

Your **recital handbook** will be handed out when you buy your tickets. Meanwhile, be prepared that when you buy tickets, you may not get the show night you'd hoped for but the shows will run the same. We will have the show recorded and take the best performance from both shows for the final DVD. DVD, flower & recital tee order forms will be available on ticket sales day. Please be patient and let's work together for the benefit of the show. Remember the show is for the kids.

## FUSION TEAMS @ DANCE WORLDS!!!

Congratulations to our Fusion Senior Hip-Hop team placing 9th at Dance WORLDS April 25th in Florida. This is a prestigious honor for our local community and we are so proud of the girls. Since the team made the Top 10, their performance will be aired on ESPN this month. We will send out a mass email to all addresses on file when we know the day/time.

Jr. WORLDS was held May 2nd in Long Beach. The results are: Junior Hip-Hop: 2nd place. Mini Pom, Mini Hip-Hop & Youth Hip-Hop are in **FIRST** place and awaiting other team's scores to come in from Texas, Ohio, New Jersey & Florida. The finalists from these other states will be judged and ranked by an online panel this week. They will know their world ranking on May 10th! First place teams will hold a Jr. All Levels World Title for 2010. Our Mini Pom is the current title holder for 2009! All **THREE** teams (Mini Pom, Mini H-H & Youth H-H) finished undefeated this entire dance season. This is something not many teams can say. Congratulations to **ALL** our Fusion dancers and their coaches! It's been a fabulous competition season!
