
NEWSLETTER

Footnotes will be **CLOSED** for Labor Day on Monday, September 7th. Hope you have a fun and safe holiday weekend. The classroom windows will be OPEN Monday, August 31st in-leu of the 7th.

Bring a Friend week is September 21st - 25th! Dancers will receive a special invitation the week prior. The invitation is to be given to a friend (of the same age) to bring with to their regularly scheduled class the week of the 21st!

Email & Office Hours: Please call the studio if you need assistance. The studio is **OPEN** Monday - Thursday 11:00AM-9:15PM and on Fridays 1:00-5:45PM. Emails sent will not be checked daily and we feel a phone call is a more efficient form of communication. Please note that **ANY** changes to your child's classes **MUST** be done in person. Our newsletter will be emailed monthly and will no longer be handed out. Please update your email address in our system or you will have to visit our website and download a copy there. Footnotes is going GREEN!

Dress Code is a requirement at Footnotes Dance Studio. Students are required to wear proper dance attire to class. Street shoes are NOT allowed on studio dance floors. If you have any questions as to the attire your child needs, please see the front desk.

Reminder: We understand that as parents you are very excited to watch your child during their dance class. We keep the viewing windows closed except for the first lesson of each month so that the instructors have the dancer's FULL attention during class. This is for the betterment of the class and your child's attention span. Dancers have a hard time concentrating (while learning material) when they know they are being watched. Thank you for your cooperation.

Red registration folders must be returned to the front desk in order for your child to remain in

their class. Please see the front desk if you did not receive one or have yet to complete your packet.

Lobby Etiquette: We maintain a pristine lobby for our dancers and their families. We do expect our lobby to be treated as such:

- Please do not eat or drink in our carpeted area. Dancers in multiple classes may eat in the back tiled area only.
- We do not allow pets in our lobby, ever.
- Please do not bring strollers in our lobby. They can cause a fire hazard because they can block an entrance or exit.
- No cupcakes allowed in the studio. They may be handed out to the kids at the front entrance as they leave the studio only. Carpet and icing don't mix!
- Please mark your child's name on everything.
- If you need to speak to your child's instructor, please leave a note at the front desk. Do not interrupt their class or approach them after class. Teachers move from class to class therefore; many times, have no break in between. They will call you after their classes upon request.

Fusion Dance Teams will begin their competition season early December. We plan to start competing later in the year and compete through May. We are currently working on the final schedule and will be emailing this out to parents soon. Take note:

- Your second deposit is now past due.
- Practice apparel (that was expected this month) will not be in until early November. So sorry for this. The order we emailed back in July was never processed by our rep. Although our rep has a valid excuse, this is why we'd now rather receive a phone call verses emails. We can get frustrated but it won't change anything. I'm choosing to stay calm (sigh)...
- Sketches for costumes will be in by Tuesday and that's when the fun begins! Stay tuned!
